Condolence letter: floods in the state of Rio Grande do Sul

Dear Dr. Cesar Eduardo Fernandes,

On behalf of the World Medical Association, I would like to express my heartfelt condolences for the lives lost as a result of the catastrophic floods struck the state of Rio Grande do Sul. This state of emergency presents a health and humanitarian crisis, impacting the well-being and livelihoods of the local population. I sincerely hope that the healthcare services remain accessible and the impacted region will soon recover. Brazil is known for its commitment for resilient and well-prepared infrastructure and strong disaster preparedness and response measures. Please know that we extend our full support and heartfelt sympathy during this challenging time.

Lastly, I wish to emphasize that the Associação Médica Brasileira holds a pivotal position within the World Medical Association. We remain steadfast in our commitment to serve humanity by upholding the highest standards of medical ethics and ensuring equitable access to healthcare for all, without prejudice or discrimination

Yours Sincerely,

Dr. Lujain Alqodmani
President
World Medical Association
